Section 1 – Annual Governance Statement 2020/21 Explanations

In reference to the responses given on the Annual Governance Statement (2020/21) the following are explanations for 'No' responses:

4. Proper opportunity was not given during the year for the exercise of electors' and public rights. This was due to the transition between Clerks.

5. A Risk Assessment was not carried out for the year 2020/21 due to interruption to normal meetings as a result of the pandemic and transition between Clerk and temporary Clerk.
